

BENEFICIARIES' AND PLAN'S RIGHTS AND RESPONSIBILITIES UPON DISENROLLMENT

HealthSun Health Plan will provide the member with a written notice informing them of the effective date of disenrollment within seven (7) business days of receipt of the request to disenroll. The notice will include an explanation of the lock-in restrictions for the period during which the member was enrolled in HealthSun Health Plan, and the effective date of disenrollment.

Beginning on the effective date of the member's disenrollment, HealthSun Health Plan will not cover any health care the member receives. Beginning on the effective date of the member's disenrollment, the member can see a doctor through the original Medicare Plan, unless the member has enrolled in another Medicare Advantage Plan. Please be patient.

If the member's doctor(s) need to send claims to Medicare, the member may want to let the doctor(s) know that the member just disenrolled from HealthSun Health Plan and it may take up to one (1) month before the Medicare computer records can be updated to show that the member is no longer enrolled in HealthSun Health Plan.
